this is the chapter slice weapons of the war gr 5 8 from the full lesson plan vietnam war experience the longest military conflict in u s history where more than 58 000 americans lost their lives from 1955 to 1975 our resource highlights the events that surround this controversial war travel to southeast asia and become familiar with the climate and terrain of vietnam discover how events after world war ii and the united states attempt to stop communism from spreading led to this conflict learn about the different tactics presidents john f kennedy lyndon b johnson and richard m nixon used during the war find out what role the introduction of the helicopter took during some of the major battles get introduced to the seal teams and u s navy step into the shoes of those who fought in the war at home by organizing a protest find out how the veterans who fought in vietnam were treated differently than those who fought in wars before them aligned to your state standards and written to bloom s taxonomy additional hands on activities crossword word search comprehension quiz and answer key are also included

this detailed two volume set considers the vietnam war one of america s longest and bloodiest wars from a topical perspective addressing the main characters and key events of the war and supplying many relevant primary source documents the vietnam war not only claimed the lives of nearly 60 000 americans and more than a million vietnamese but the prolonged conflict also resulted in a firestorm of protest at home that shook the foundations of the country and made u s citizens question the moral principles and motivations behind our foreign policy and military actions written in a very accessible style by recognized authorities on the war vietnam war a topical exploration and primary source collection provides students and general readers with a complete overview of the conflict in vietnam a broad topic that remains an important part of the american history and world history curriculum using a topical approach to cover all aspects of the war the set enables students to see the complete picture of the conflict through its presentation of reference entries and documents arranged in cohesive compelling chapters examples of the primary documents in the set include communist party evaluation of the tet offensive 1968 and president richard nixon s speech on vietnamization 1969 these primary sources are augmented by oral histories of soldiers who fought in the tet offensive additionally maps and images in each section enhance the aesthetic appeal of the book and heighten students understanding of the material readers will come away with both a strong comprehension of the vietnam war as well as an appreciation for how significant this proxy conflict was as a lead up event to the global cold war

the new evidence uncovers a number of behind the scenes plays such as nixon s secret nuclear alert of october 1969 and sheds more light on nixon s goals in vietnam and his and kissinger s strategies of vietnamization the china card and triangular diplomacy the excerpted documents

also reveal significant new information about the purposes of the linebunker bombings nixon s manipulation of the pow issue and the conduct of the secret negotiations in paris as well as other key topics events and issues all of these are effectively framed by kimball whose introductions to each document provide historical context

the story of the united states military is the story of the country itself both have grown and changed over time learn about the unique histories traditions weapons leaders stats and fun facts of the army navy marine corps coast guard air force and space force and their roles within the military in this fun and fascinating guide from the few hundred soldiers in its ranks when it was first established to the over one million service members today the u s military has grown in power and size over its 250 year history its organization and branches have changed to adapt to new technologies and national needs the handy armed forces answer book your guide to the whats and whys of the u s military looks at each branch of the u s military it answers more than 500 of the most intriguing questions including how is the u s military organized how do the branches work together when did the army air corps become the u s army air force what is the selection process like for special forces who was the continental army s first commander in chief how does the military rank structure function how does somebody become an air force officer what was the brown water navy what is the motto of the coast guard how many bases does the military have what is the marine corps hymn did any coast guard vessels serve in combat what type of aircraft is air force one who said retreat hell we just got here who were the buffalo soldiers what are the blue angels what is the most challenging usaf plane to fly what is the origin of the coast guard racing stripe does the space force have any operational bases how did a mutiny help establish the united states naval academy what is the longest serving personal weapon used by the american soldier what is the difference between a uav and a drone what attack submarines does the navy deploy who defends the united states against cyberattacks and other digital threats the army navy air force marines coast guard and space force are uniquely american each in their own way learn what makes each branch special in the handy armed forces answer book with more than 140 photos and graphics this fascinating to me is richly illustrated its helpful bibliography and extensive index add to its usefulness

the signing of the paris agreement in 1973 ended not only america s vietnam war but also richard nixon s best laid plans after years of secret negotiations threats of massive bombing and secret diplomacy designed to shatter strained communist alliances the president had to settle for a peace that fell far short of his original aims

in this study dr donald j mrozek probes various groups of americans as they come to grips with

the consequences of the vietnam war he poses far more questions than he answers and some of what he says may invite strong dissent yet it will serve its author's purpose if something here provokes creative thinking and critical reexamination even of some long cherished ideas viewing the vietnam war as a logical outcome of american defense thinking has challenging implications as does seeing the cold war consensus on foreign affairs as an oddity the vietnam war stands uneasily on the edge of public memory slipping into the past and becoming part of our national history yet still too recent to be forgotten by those who lived through its trials but history seeks a meaning in its clouded events a retrospective order and pattern that could instruct and sometimes even inspire successive generations at present then americans face the peculiar dilemma of having to respond to the impact of a war for which there is still no comprehensively shared vision one cannot expect broad enthusiasm for a vision of the past whose primary purpose is to justify current policies acquisitions deployment and research americans have thought of themselves as individualistic and unruly people a flattering self image though in some ways a false one indeed during the vietnam war it was the patience and long suffering of the american people that most deserved comment this was not the first war to face great protest and challenge from americans opposition to a massive commitment that was killing young americans as well as many southeast asians should hardly have seemed surprising what should have caused real surprise was how long it took for opposition to coalesce in the end the vietnam experience ought to remind us of how well americans can rally to a cause even when it is poorly conceived and executed but these are not the lessons of vietnam they are only illustrations of how we may come to different understandings of the vietnam experience the central lesson is that even when we cannot control the circumstances around us we can still control ourselves the use of military and political resources to have our way is not only a practical and technical issue it is also a philosophical and moral one it may be worth asking if we have ever won a war by betraying our own traditions and values in this study dr donald j mrozek probes various groups of americans as they come to grips with the consequences of the vietnam war he poses far more questions than he answers and some of what he says may invite strong dissent yet it will serve its purpose if something here provokes creative thinking and critical reexamination even of some long cherished ideas viewing the vietnam war as a logical outcome of american defense thinking has challenging implications as does seeing the cold war consensus on foreign affairs as an oddity yet this is not a litany of objection and protest doctor mrozek raises serious questions about how the contemporary notion of deterrence has emerged and dealing with such questions forthrightly could make deterrence more effective so too questions the past relationship of military professionals with the mass media is not an assignment of guilt but an invitation to develop a beneficial and cooperative relationship nor is this study a

tale of gloom and despair it is rather an appeal for self consciousness and self awareness it is a plea for us to take command of the problems that beset us by taking control of ourselves first

unfolding the calley case step by step belknap shows how our system of military justice actually works his dramatic reenactment takes readers through every stage of the trial from pre trial investigations to actual courtroom exchanges among prosecutors defenders witnesses and judges in the process he reveals how a court martial conducted within the public eye transformed a purely legal proceeding into a political debate about the conduct of the war calley

in beyond the quagmire thirteen scholars from across disciplines provide a series of provocative important and timely essays on the politics combatants and memory of the vietnam war americans believed that they were supposed to win in vietnam as veteran and pulitzer prize winning author philip caputo observed in a rumor of war we carried along with our packs and rifles the implicit convictions that the viet cong would be quickly beaten and that we were doing something altogether noble and good by 1968 though vietnam looked less like world war ii s triumphant march and more like the brutal and costly stalemate in korea during that year the united states paid dearly as nearly 17 000 perished fighting in a foreign land against an enemy that continued to frustrate them indeed as caputo noted we kept the packs and rifles the convictions we lost it was a time of deep introspection as questions over the legality of american involvement political dishonesty civil rights counter cultural ideas and american overreach during the cold war congealed in one place vietnam just as americans fifty years ago struggled to understand the nation s connection to vietnam scholars today across disciplines are working to come to terms with the long and bloody war its politics combatants and how we remember it the essays in beyond the quagmire pose new questions offer new answers and establish important lines of debate regarding social political military and memory studies the book is organized in three parts part 1 contains four chapters by scholars who explore the politics of war in the vietnam era in part 2 five contributors offer chapters on vietnam combatants with analyses of race gender environment and chinese intervention part 3 provides four innovative and timely essays on vietnam in history and memory in sum beyond the quagmire pushes the interpretive boundaries of america s involvement in vietnam on the battlefield and off and it will play a significant role in reshaping and reinvigorating vietnam war historiography

learn how the united states ended up fighting for twenty years in a remote country on the other side of the world the vietnam war was as much a part of the tumultuous sixties as flower power and the civil rights movement five us presidents were convinced that american troops could end a war in the small divided country of vietnam and stop communism from spreading

in southeast asia but they were wrong and the result was the death of 58 000 american troops presenting all sides of a complicated and tragic chapter in recent history jim o connor explains why the us got involved what the human cost was and how defeat in vietnam left a lasting scar on america

the vietnam conflict was one of the most controversial engagements in the history of the united states the effects of u s involvement the impact of an individual s participation political decisions and the politics of decision making are still felt the memorial itself was a topic of intense debate and yet it is one of the most visited sited in washington d c

warriors and fools is about the vietnam war it seeks to answer one specific question why did the us fail to achieve its principal objective to defend south vietnam from communist aggression the story s findings and conclusions are neither orthodox nor revisionist those trying to gain insights on how american civilian leaders lost the war that its military could have won or how the us congress press or antiwar activists caused the us withdrawal and loss of the war will be disappointed rather as this story explains the answer of why america lost is more linked to human interactions and relationships than what should have been done or not done for this story reveals that the interrelationship between american civilian and military leaders and advisors was extraordinarily divisive and dysfunctional so much so that us leaders decisions resulted in flawed timid policies and foolish strategies that led to defeat moreover that troublesome interrelationship was primarily a result of mistrusts misunderstandings and misperceptions on us leaders and advisors roles responsibilities and what they thought would lead to a positive end to the war in addition primarily because they were ignorant of their opponents culture and history and overconfident from their past experiences us civilian and military policymakers ignored or misunderstood their enemy indeed the main north vietnamese war leaders whom most americans did not even know were calling the shots on their pursuit of victory were determined to end the war militarily and most persistent in that goal they also mislead and mystified us civilian and military leaders alike through a brilliant strategy relying on propaganda and ruse that fooled their opponents into believing that a diplomatic solution was possible the story of how and why the us lost south vietnam to the communists uses the most recently released documents from the us archives and presidential taped conversations of the top secret meetings and behind door conversations of the major american participants from truman through the nixon administrations it also utilizes the latest ground breaking research and released documentation of the war from the communist vietnamese side of the conflict warriors and fools delves deeply into the decision making strategies goals and motives of the north vietnam leaders as they waged their war for unification first against the french and then against

the americans the book further consults the memoirs interviews and oral histories of former south vietnamese leaders and combatants to discover their views on their struggle to form a new nation free from communist aggression it then compares the attitudes desires and objectives of these vietnamese leaders to those of the americans to makes some startling discoveries about what us leaders wanted to accomplish and what their vietnamese counterparts both in the north and south prevented them from achieving this book is both broad and deep in scope in its narration of the vietnam war story it takes the reader from the white house s oval office and hanoi s politburo room to the pentagon s and north vietnam army s command centers to vietnam s mountain and rice patty battlefields to show the courage determination foolhardiness mistakes and horrors of war from both sides warriors and fools should be of interest to those who served in the war and serious students and teachers of this event and period it is not intended as light reading or for someone trying to get just a brief understanding of what happened there and in america at the time
